We're Right In Step With Barbara, Marilyn And Curt.

From the March of Dimes WalkAmerica to benefits of all kinds, United Penn

employees volunteered hundreds of hours each year. Which is one reason we

feel good about having changed our name to Mellon Bank. Our philosophies

are really in sync. We're here to help people any way we can. You'll see other

changes, too. More products and services. From one of the nation's best run

banks. But we're still managed locally. And one other thing won't change. An

honest commitment to the community. That's good news for all of us.
