

## Kingston Twp. residents reminded of zoning rules

The Kingston Township Zoning Officer reminds the residents of the Township that it is illegal to attach garage/yard sale signs to telephone poles, or trees and they should be attached to individual stakes. All such signs should be removed no later than two days after the sale. Violators may be fined up to \$300 or imprisoned for not more than 90 days.

Residents are also reminded that the Township's Vegetation Nuisance Ordinance requires that all grass or weeds on occupied properties are to be kept trimmed to a maximum height of six inches. All grass or weeds growing in excess of six inches in height may be declared to be a nuisance and subject to a fine.

The Zoning Ordinance requires that a Zoning Permit be issued for the following residential and non-

residential activities:

The use of land, the use of buildings or the construction, enlargement, extension or modification of all buildings, accessory buildings, garages, decks, sheds, patios, fences, retaining walls, swimming pools, off street parking facilities, driveways or other projections into yard space. Also, the demolition of a structure and a home occupation require permits.

In addition, a building permit is required for all new construction, including accessory buildings and enlargement, or exterior modification of existing buildings.

Permits or additional information may be obtained from the Zoning Officer in the Municipal Office at 11 Carverton Road, Trucksville, daily from 8:30 a.m. to 4:30 p.m.

## KTwp. police offer to watch homes

The Kingston Township Police Department, under the direction of Chief Paul Sabol, reminds residents of two services offered by the Police Department.

The first involves the House Watch Program. Police Officers on regular patrol will take special note of residences which are vacant for vacations or any temporary absence by the homeowner. "If we are aware of a homeowner being away, we will make every effort to check the property during their absence," said Chief Sabol. "The housewatch program has been in effect and successful for many years."

The Department also offers a similar program called "Party Watch". If residents are going out of town for any reason, and they are leaving their teenagers home, the residents may call the Police Department and register the property. The Police Officers will check the residence to make sure there are no parties taking place without the parents knowledge.

Residents who would like to notify the police department for a Housewatch or Party Watch, please contact Chief Sabol at 696-1175 or the Township Office at 696-3809.
