We Service What We Sell

Dallas starts school Sept. 2

Gerald Wycallis, Superintendent of the Dallas School District, announces the following bus schedules for the first day of school, Wednesday, Sept. 2, 1992.

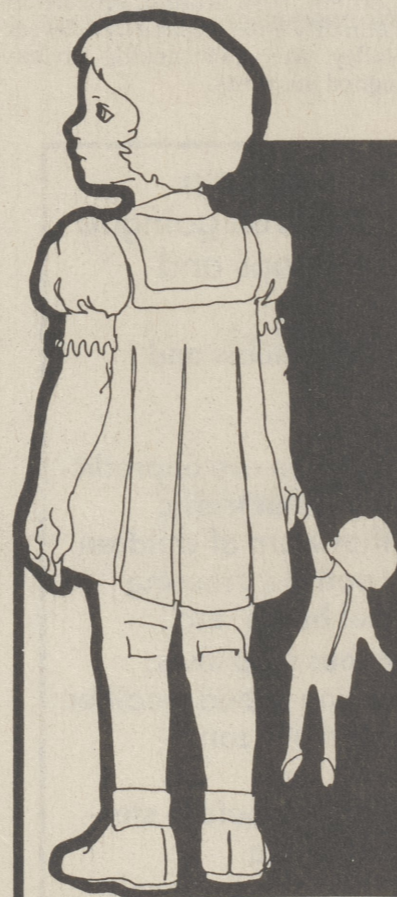

Some bus numbers have been changed. However, most routes will remain the same as last school year.

The secondary starting time for the bus runs is approximately 7:15 a.m. and the elementary starting time is approximately 8:20 a.m.

These bus lists will be in effect for the first week of school. Changes will be made where necessary in both times and locations as the school year progresses. Please note that all times are approximate.

The Kindergarten students are reminded of their participation in the school entry program. Their schedule will be given to them by their teachers at the screening conference prior to the opening of school.

A SIMPLE WAY TO PREDICT BACK PROBLEMS

In many cases, the first signs of back problems are ignored — largely because people don't know how to recognize them. And back problems, like all health troubles, are most easily handled early. Here's a simple check you can make with your children: examine them carefully to see if one shoulder is higher than the other; or look closely at the hem of your daughter's skirt to see if it hangs crooked. Either one calls for a professional examination from your chiropractor. If there's any doubt, have the condition examined. A few minutes now can mean a lot to your child's health in years to come.
