You Gotta Love Our Service!

Satisfying a customer 100 percent. That's my opinion of a job well done. It's what we try to do everyday in the meat department at Acme. Sometimes that means helping a customer choose a particular cut of meat for a special occasion. Or, maybe suggesting a new recipe they might like to try. Do customers appreciate that kind of service? I think their smiles tell it all. You gotta love the service at Acme. Check It Out!
