

Police reports

Dallas Township Dallas Borough

OPOSSUMS CAUSE REAR-END ACCIDENT

According to Dallas Township police, a 1989 Chevrolet operated by Lawrence C. Lucarino, Jr., 44, of RR 3 Harveys Lake and a 1988 Ford Festiva operated by Andrew M. Breazeale, 38, of Shavertown, were involved in a rear-end accident Monday, September 21, shortly before 10 p.m. on the Alderson-Kunkle Road. Police said that both vehicles were traveling east on the Alderson-Kunkle Road when the Breazeale vehicle stopped in the middle of the roadway to allow a family of opossums to cross. The Lucarino vehicle hit the rear end of the Breazeale vehicle, police said.

Patrolman Robert Jolley investigated the accident.

POLICE INVESTIGATE THEFTS FROM CARS

Dallas Township police are investigating two thefts of items from unattended vehicles:

• Earl Samuel of Dallas reported September 24 that a Minolta 35 mm. camera with assorted lenses and a camera bag, valued at \$1,200-\$1,500, were removed from his unlocked car while it was parked at the Dallas Junior High School Thursday, September 17.

Patrolman Wayman Miers is investigating the incident.

• William Weaver of Valley View Trailer Park, Dallas, reported Saturday, September 26, that a Cobra 40-channel single-sideband CB radio valued at \$125 was removed from his car.

Patrolman Doug Higgins investigated the incident.

CAR LANDS IN DITCH AT COLLEGE

According to Dallas Township police, a 1984 Pontiac Bonneville operated by Neil Joseph Woelkers, 22, of Dunmore, was involved in a one-vehicle accident Sunday, September 27, shortly before 2 a.m. Police said that Woelkers turned right onto an access road to College Misericordia from the northbound lane of Lake Street, slid on the wet pavement and travelled down an embankment, coming to rest in a ditch. The car was towed from the scene, police said.

Patrolman John Appel investigated the accident.

WOMAN HARASSES 911 DISPATCHER

Dallas Township police are investigating a series of harassing telephone calls to the Back Mountain Communications Center Saturday, September 26. Police said that a female caller who identified herself as Janet Ziegler, giving a Washington, D.C. telephone number, made four calls between 5:01 p.m. and 5:39 p.m., using foul and abusive language to the dispatcher.

Patrolman Doug Higgins is investigating the incident.

MAN CHARGED WITH SIMPLE ASSAULT

According to Dallas Borough police, Sam Hamersley, a.k.a. "Hutch," 44, of RR 1 Hunlocks Creek, was arrested Monday, September 21, and charged with simple assault. The charges stemmed from an incident in which Hamersley harassed and beat up Jordan Miller, no address given, at the Crab Claw Restaurant, police said. Miller was transported by the Dallas Ambulance to Nesbitt Hospital, where he received 21 sutures to head wounds and was admitted; he was later transferred to Community Medical Center in Scranton, police said.

Patrolman James Drury investigated the incident.

D.U.I. ARRESTS

Dallas Borough police arrested three people for driving while under the influence, after they failed field sobriety and blood tests.

• Randall Alan Jacobs, 33, of RR 5 Dallas, was arrested after a blood test indicated the presence of seven different controlled substances in his body. He was also arrested for possession of marijuana and drug paraphernalia and cited for following another vehicle too closely and using a no passing zone to pass another vehicle, police said.

Patrolman James Martin investigated the incident.

• Pamela Gay Morio, 38, of Wilkes-Barre was arrested for driving while under the influence after police observed her driving north on Route 415 in an erratic manner. She was also cited for careless driving and operating a vehicle at an unsafe speed, police said.

Patrolman Mike Krzywicki investigated the incident.

• Robert Louis Brucher, 29, of RR 2 Sweet Valley, was arrested for driving while under the influence after police observed him driving north on Route 415 in an erratic manner. A blood test showed that his blood alcohol limit was .19%, nearly twice the legal limit, police said.

Patrolman Mike Krzywicki, assisted by Dallas Township Patrolman Wayman Miers, investigated the incident.

POLICE RECOVER TWO STOLEN VEHICLES

Dallas Borough police recovered two stolen vehicles. Patrolman James Martin investigated the incidents.

• A 1987 Suzuki Samurai, reported stolen from the garage of Gary R. Rice of Pine Crest Ave., Dallas, at 6:30 a.m. Monday, September 21, was recovered at 3:30 p.m. the same day in the parking lot of the Dallas Family Practice, police said. Rice stated to police that the car's keys had been left in the ignition while the car was in his garage.

• A 1989 Toyota Camry, reported stolen from the carport of Herbert L. Rittenberg of Newberry Estates, Dallas, at 8:30 a.m. Tuesday, September 22, was recovered at 9:49 p.m. in the parking lot of the Back Mountain Memorial Library, police said. Rittenberg told police that a spare ignition key may have been inside the vehicle while it was parked in his carport.

Kingston Twp

BUMP CAUSES DAMAGE

According to Kingston Township Police, Charles Musial of Harvey's Lake and Paul Wasserott III of Dallas were involved in a two car accident at 10:10 p.m. on September 18.

The police report that Musial was traveling north on Route 309 when he stopped at a red light at the intersection with East Center Street. While stopped at the light, Musial's Camaro was bumped from behind, according to the police report.

The investigating officer said that when he confronted Wasserott about the incident, he said that he struck Musial's vehicle because he was driving erratically. According to the police, Wasserott did not believe that the bump would cause damage to Musial's car.

ONE CAR ACCIDENT ON MANOR DRIVE

According to Kingston Township Police, a 1979 Chrysler belonging to Charles Evans of Dallas was involved in a one car accident at 2:44 a.m. on September 19.

According to the police report, the owner had decided to leave the Kandle Lite Bar on Carverton Road in Trucksville. He said that an unknown man who was not intoxicated offered to drive the car with the owner's permission, Kingston Township Police said. Police report that the vehicle was traveling north on Manor Drive, when the operator lost control of the vehicle. The vehicle then left the roadway, traveling approximately 225 feet, spinning around and coming to a stop according to Kingston Township Police.

Dallas Summer Reading Contest winners

Dallas Elementary School first graders Nicole Jayne, right, and Jimmy Welch, left are the first and second place winners in the school's summer reading contest. Participants listed the books which they read with an adult or by themselves and turned the completed list into Sharon Hartshorne, the school reading specialist at the beginning of the school year. Jayne read 170 books this summer and won a t-shirt and gift certificates from Walden Books. (Post Photo/Bill Harper)

Trucksville Nursery school has openings

The Trucksville Nursery School which is located in the Trucksville United Methodist Church has five openings left in its 4-year old program, which is open to any child that turns four before December 31, 1992. This year there are 15 classes of children ages two through five year old. Our emphasis is on socialization and developing a child's self esteem. There are a variety of field trips throughout the year and opportunities for the children to become more aware of the world around them.

For more information, feel free to call the Nursery School office weekdays at 696-3897.

WHY SUFFER! WHEN WE CAN CORRECT THE CAUSE.
A SUBLUXATION MAY BE THE CAUSE.

AT THE KCC WE CORRECT SUBLUXATIONS.

WHAT IS A SUBLUXATION?
Subluxation is a term used by Doctors of Chiropractic to describe the misalignment of spinal bones resulting in nerve irritation or nerve interference. Even the slightest misalignment can produce pressure and irritation upon nerves, effecting proper communication of vital nerve impulses to the organs, cells and tissues of the body!

TRUE HEALTH is the condition which exists when all of the organs and parts of the body work together in coordination and harmony. The Nervous System (Brain and Spinal Cord) is the Master Controller and Coordinator of all body functions. **AT THE KCC** We keep the Nervous system free from any interference due to misplaced spinal Bones, simply allows the body's natural healing ability to function at its maximum...thus keeping Resistance High and Maintaining Health Naturally.
