On Sunday, Oct. 25, the Lake-Lehman Jr. Knights "C" squad hosted the Larksville Greenwaves on the Knights' home field. The Knights won the game 40-0.

Scoring started on a touchdown run by Justin Brink. Michael Willauer scored a touchdown on the next possession. The next Lehman score was made by Scott Healy on a one yard run. The two point try was made by Galen Waltman. That led to halftime with a 20-0 lead for the Knights.

In the third quarter, both Michael Willauer and Justin Brink scored touchdowns. The final touchdown of the game was scored in the fourth quarter by Galen Waltman. The extra point was made by Scott Healy. The Knights now have a record of 5-2-1 and are tied for second place with Kingston Township at the end of the

regular season. A special tie breaking game will be held.

On October 21, a special replay of a mini football game was held when the Lake-Lehman Jr. Knights "C" squad hosted the Swoyersville Sailors at their field.

The scoring in this game began with a touchdown by Richard Condo of the Sailors. The extra point attempt failed. There was no more scoring in the game until the fourth quarter. Justin Brink scored a touchdown for the Knights with four minutes left in the game to tie it at 6-6. The extra point attempt was good as the Knights took the lead 8-6.

We would like to thank the Lake-Lehman Football Club, fans and parents for their support, and to the Lake-Lehman School for their support and allowing us the use of the field.

When Should A Person Go To A Chiropractor???

Is it for back trouble, heart disease, in-grown toe nails, is it for Cancer? The truth is, no Doctor of any kind anywhere ever cured anyone of anything. LIFE was and is the only healer. The inborn intelligence (LIFE) knows all there is to know about this wonderful body of ours. As long as 100 percent of this intelligence (LIFE) is present in every cell of our body we remain healthy. This is the Chiropractor's job to make sure that 100 percent LIFE flows from your brain to the rest of your body without interference.

YOUR BODY NEEDS NO HELP - JUST NO INTERFERENCE. Life is the conqueror of all dis-ease and Chiropractic proves it.

Isn't it time you invested in some Life Assurance - thru Chiropractic.....
