## Voters' Guide

(continued from page 6)

### 120th District DEMOCRATIC

**Phyllis Mundy** Kingstown  
Incumbent  
Age: 44

**Qualifications:** Full-time Legislator. Graduate of Bloomsburg State College. For ten years prior to my election, I managed a multimillion dollar manufacturing business. I volunteered for the League of Women Voters, the Junior League, Domestic Violence Service Center and Volunteers for Literacy.

**Issues Statement:** Education of our children, preservation of our environment, quality of life for our families and older citizens and a fair tax policy are my top legislative priorities. Highest priority is to provide the best quality education for our young people, our future workforce and taxpayers, that we can afford. Society is placing greater demands on our schools. I want to enable Pennsylvania's Schools to meet those demands through necessary legislation, regulation and funding.

### REPUBLICAN

**Keith Coslett** Kingstown  
Age: 36

**Qualifications:** Attorney. University of Pittsburgh, B.A., Political Science/Economics, 1978. Dickinson School of Law, JD, 1986.

**Issues Statement:** The three issues which must be addressed are taxes, government spending and jobs. Pennsylvanians were hit last year with the largest tax increase in State history. If we don't control government spending and taxes, Pennsylvania will face further economic decline.

## SIERRA CLUB ENDORSES PHYLLIS MUNDY

Clean air. Clean water.  
A safe environment for your family and all the other living things on the planet.

Protecting these things requires that we win a constant stream of large and small battles - many of them fought in the Pennsylvania General Assembly where the laws that prevent - or permit - environmental degradation are made.

In 1990 the *Sierra Club* endorsed Phyllis Mundy because we believed that she would support a clean environment for the citizens of Pennsylvania and the 120th District. She has done exactly that. That's why the *Sierra Club* supports Rep. Phyllis Mundy's 1992 reelection effort and hopes that you'll return this pro-environment legislator to office.

Clean air. Clean water. Keep Phyllis Mundy as your representative in Harrisburg.

Remember: To keep Rep. Mundy in office, you have to vote for her on Election Day, November 3, 1992.

*Sierra Club*

Paid for by the Sierra Club Pennsylvania Political Action Fund.
