AVOID DANGEROUS DRUGS CHIROPRACTIC BUILDS NATURAL IMMUNITY

There is only one healer. It is not a pill or a shot or surgery. It is not a doctor of any kind. It is your body . . . itself . . . and its intelligence within. Nature always knows what to do in any situation unless it is interfered with. Chiropractic attempts to locate and remove these interferences. It does not treat the symptom or the disease. It does not cure the disease . . . for this can only be accomplished by Nature . . . from within. Nerve interference through spinal mis-alignment could be the basic cause of almost any disease depending upon which nerves are affected.
