## Our List Of Who You Can Pay By Phone Is Shorter Than Any Other Bank's.

Give us your list of all the businesses you want to pay by phone. Doctor, dentist, day care, diaper service, dance studio. Plus the ones that don't start with the letter D. Then you just call up, and your payments go out the next day. Or, when you want, up to 30 days later. There's one hitch, though. First you have to have a checking account. But we'll give you a phone and six months of Telephone Bill-Paying free when you open one. And if you already have a checking account, well, you can get free stuff, too. Stop by any office. Or call 1 800 245-4920 for details. And as for other services only we offer, can we make you a list?
