This is the new Eagle Vision ESi. We're not even going to pretend it's for everybody. However, if you insist on performance, safety, exceptional handling, arresting looks, and a load of standard features, all at an eyebrow-raising affordable price, well...you just might find this car rather intriguing. It features:

- Four-wheel power disc brakes, power steering, and four-wheel independent suspension, standard.
- 153 horsepower 3.3 litre V6 engine and air conditioning standard.
- Driver and passenger air bags standard.
- A choice of Eagle Protection Plans.\*
- State-of-the-art cab-forward design.

One thing we know: once you see the new Vision, anything else will, indeed, be a compromise.

VISION. NOT INTENDED FOR THE GENERAL PUBLIC.
