Shirley A. Moyer of Shavertown has announced her candidacy for Kingston Township Supervisor. She will seek election as a Republican.

She has lived in Kingston Township with her husband and two children for over 20 years. It was raising her children in this community that made her appreciate what it had to offer.

It is her sincere caring for this township that has made her decision to run for supervisor. She would like to have the privilege of sharing in the growth of our area, while at the same time protecting the environment as this growth continues and maintaining the quality services which the township has always given its residents. To do this, she feels it is necessary to communicate with the people, always trying to be aware of their needs and views. In so doing she hopes to see second and third generation of Kingston Township citizens choose to remain here.

Her past work experience has given her exposure to the working relationship between municipali-
