

Franklin-Northmoreland Ambulance begins drive

The Franklin-Northmoreland Township Ambulance Association will begin its 1993-1994 Membership Fund Drive by mailing information to residents and property owners of both townships.

Included along with the regular membership this year is a special request for an additional donation towards our new 1993 ambulance which is on order and due to arrive sometime in July. Members only

will receive free ambulance service from May 1, 1993 to April 30, 1994. Anyone not a member will be billed \$175 with a responsibility for payment in full. We do not do third party billing.

We ask everyone to please mail their responses in as soon as possible, so as to keep us on the road to serve you when in need. If you do not receive our letter, call us at 333-4283.

Pine mulch available at KT

The Kingston Township Board of Supervisors has announced that pine mulch is available for residents to pick up at the composting site located at the Center Street Garage.

The Township annually collects Christmas trees from residents and mulches the trees with a chipping machine. The mulch is now available for residents for use in their gardens or flower beds.

The mulch is available for pick-up by residents of Kingston Township at the composting site, 225 East Center Street, Shavertown. The site is open Monday through Friday 7 a.m. to 3:30 p.m. and Saturdays from 8 a.m. to 4 p.m.

Residents with questions are asked to call the Kingston Township Municipal Building, Monday through Friday, from 8:30 a.m. to 4:30 p.m. at 696-3809.

Cub Scout Pack 281 Cobra Den earns recycling award

Cobra Den Cub Pack 281 from Dallas, received a special award from The Keystone Coca-Cola Bottling Company for collecting the most recyclable cans and money in the Coca-Cola "Make a Bundle" recycling program.

The award presentation was made at a recent ceremony at the Keystone Coca-Cola Bottling plant in Pittston, and was attended by area dignitaries including State Sen. Raphael Musto and Al Brogna, executive assistant to State Sen. Robert J. Mellow, President Pro Tempore.

Cobra Den Cub Pack 281 collected 33,600 cans in 1992, turning them into the Keystone Coca-Cola Bottling Company and earning a total of \$1,008 for the effort. According to the Cobra Pack's den

leaders, husband and wife team Dave and Beverly Neiman, the money will be used to send Pack members to camp and for a variety of other activities for the group.

Make A Bundle was launched in 1990 to help community groups, as well as to help better the environment. Through the program, Coca-Cola bottlers across Pennsylvania pay not-for-profit organizations 3 cents per can for Coca-Cola products or any allied brands distributed by Keystone Coca-Cola.

Upon joining the program, groups are issued credit cards and, on designated redemption days, bring their cans and credit cards to their Coca-Cola bottling facility. Receipts are issued and checks are sent monthly to all participating groups.
