The final 30-second promotional video was judged on quality and how well the students followed the 2-1/2 hour deadline.

"You have to go into these things with a positive attitude and know in your heart that you'll do your best," Steve said. "I had a feeling we would win."

"We couldn't have done it without Mr. McD," Dan said. "He's the greatest teacher in the whole world. He taught us a lot!"

Both Steve and Dan plan to apply to C-TEC Communications after graduation, and are considering studying communications at Luzerne County Community College, then transferring to Kutztown for their last two years as television communications majors.

Steve Hoover says he has "a feeling" that he and his best buddy will bring home more gold medals from the national competition.
