Known by students and teachers alike for her sensitivity, ready smile and ability to get along with others, Christy, a 1992 Lake-Lehman graduate, was very active in the school's chapter of Students Against Drunk Drivers (SADD) and a member of the Sweet Valley Community Bible

The school's Peer Helpers, who collected the money for the scholarship, selected its recipient based on the personal qualities which they respected in Christy Elston: devout spirituality, sobriety, personability, cheerfulness, sensitivity and the ability to get along with others.
