Many attend Irem Temple Potentate's Ball

A picture-perfect evening with gentle breezes under the Pavilion at Irem Temple Country Club set the tone for this year's Potentate's Ball honoring Illustrious Sir, Kenneth E. Burkel, potentate of Irem Temple, and his Lady Laura. The annual event was attended by more than 400 Shriners and their guests. This year's theme, An Evening In Venice, was reflected

by an entry bridge and a gondola in the pavilion.

Guests enjoyed a hospitality time on the Sun Porch prior to the dinner dance. The Irem String Band entertained the gathering during the cocktail hour.

A family-style dinner was featured in the main dining room with Potentate Burkel welcoming

guests for the evening's festivities. Members of the Irem Divan responded with a toast to Illustrious Sir Kenneth Burkel and his Lady, Laura.

Following dinner, the assembly moved through the balmy summer night air to the Pavilion where party-goers danced to the strains of the J. Sable Big Band.

Summertime brings large demands for water: sprinkling the lawn, watering gardens, along with normal usage for drinking, cooking, working and so on. And we want you to get the most for your water dollar. To accomplish this, we urge our customers to use existing facilities more efficiently by adhering to our "ALTER-NATE DAY SPRINKLING PROGRAM" from Memorial Day thru Labor Day. If you live in a house with an even numbered street address, water your lawn on even numbered days of the month. Odd numbered addresses, odd numbered days. It's easy and it works! Remember: even numbered address, even numbered days, odd numbered address, water lawns on odd numbered days.
