### Thresholds prison program seeks volunteers

The Basic Training Weekend for Thresholds is scheduled for Saturday, September 11 and Sunday, September 12 in the Parish House. At this time, the Thresholds

program is looking for new volunteers. Please consider giving 10 weeks of your time to a person very much in need of the training Thresholds provides. For the most part, the time involved is one evening a week, or part of a Saturday for a period of 10 weeks, starting September 20. It is not necessary to be a teacher or a trained counselor, just a willingness to attend the Basic Training Weekend and then to teach the course on a one to one basis. A teacher's manual with a detailed outline is provided for each teacher.

Thresholds teaches decision making and problem solving by stressing that every person is responsible for his or her own life; it also teaches the need to look for alternatives and to evaluate the risks involved in choosing one of those alternatives.

For further information contact Ingrid Prater at 823-9548 or leave a message at 675-1723.
