Girl Scouts need 10 good troop leaders

By SUSAN YEAGER

When you hear someone say they are a Girl Scout immediately you think of Girl Scout Cookies. Well that is only part of Girl Scouting. Girl Scouts are movers and shakers.

Have you ever slept on a battleship, camped out at the Boston Science Museum, gone primitive camping, helped serve meals at an area shelter, sung to senior citizens, made candles and photo albums, toured the Nation's Capitol or planted trees on Arbor Day? I have!

As a Girl Scout Leader I have

done all of these and more. As a leader I have experienced so much. Sure, it is work. It takes a little bit of time and patience to make it all work. As a Girl Scout Leader you gain so much in the way of personal growth and satisfaction.

We need Girl Scout Leaders. In the Back Mountain Area alone we have need for 10 adults to lead girls. We need you for Daisies (Kindergarten); Brownies (grades 1-3); Juniors (grades 4-6); Cadettes (grades 7-9) and Seniors (grades 10-12).

Without adult volunteers we

have no troops. If you were ever a Girl Scout and remember the fun try giving a little back by helping out a troop or by becoming a Girl Scout leader. Penns Woods Girl Scout Council offers a fantastic support system including training and program resources to all of the adult volunteers.

Come join us! The best part's the FUN - when you involve yourself with Girl Scouting. Call Ellie Rodda at Penns Woods Council 829-2631 to volunteer. Without leaders we have no program.

Library Book Club will meet September 20

By NANCY KOZEMCHAK

The first meeting of the Book Club of the Back Mountain Memorial Library will be held on Monday, September 20 at 1:30 in the reference room at the library. The program will be given by members of the club who will present book reviews or show and tell items.

Book Club membership for 1993 has reached a total of 220 members with \$2,010 being paid in membership dues, which money is used to buy books for the Book Club shelf in the library. The Book Club meeting is open to all members of the club and any guests who may be interested in attending. After a short meeting, the program is given, and then refreshments are served by the committee in charge. Everyone is welcome.

The library has for sale at the front desk two cookbooks. The library's own "Chefs and Artists" and the new "Best of the Best From Pennsylvania". Chefs and Artists sells for \$12.95 and the

Best cookbook sells for \$12. Either or both of these books would make very nice birthday or Christmas gifts for someone special on your shopping list.

Fall Story Hour sign-up will be held Septemer 7 through the 11th. Reservations may be made at the library for 2 year olds and 3 to 5 year olds.

New books at the library: "Virgin of the Rodeo" by Sarah Bird is a novel about Sonja K. Getz, big hips, bigger brain, monster mouth—on her tour of the West that Was Suppressed. In Dorfburg, Texas, you can't get much farther out than a jumbo-sized, rabidly P.C. woman who won't shut up and doesn't give a warm cowpie whether you like it or not. Vowing to show all the hometown clods—Sonja embarks upon a quest to find the father she knows only from a worn photo of a Native American trick roper. All true Western heroes are not outsiders.

"The Wrong Man" by David E. Fisher is the story of Walter

Naman, German-born Jew, naturalized American citizen and professional Nazi-hunter who is intent on assassinating Gottfried Waldner, the German chancellor, who is about to visit the United States and is supposedly plotting to resurrect the Third Reich. David Melnik, a Mossad agent is dispatched to meet with the U.S. authorities to prevent the assassination and quickly becomes inextricably involved in the case. The manhunt keeps the reader on the edge of his chair.

"Dark Star" by Alan Furst takes place in Paris, Moscow, Berlin and Prague.

In the back alleys and glittering salons of night time Europe, war is already under way, as the Soviet NKVD and the Nazi Gestapo confront each other in a brilliant duel of espionage. On the front line, Adre Szara, survivor, is a foreign correspondent for Pravda and he is co-opted by the NKVD, then becomes a full-time spymaster in the Red Orchestra spy networks in Paris.

Home care isn't just about feeling better. It's about living better.

At Option Care, we treat cancer, infectious

diseases and other illnesses at

home, where patients can take a more active role in their treatment, experience more freedom and spend less time in the hospital.

Part of a national network, we're owned and operated by people who live in this community, and know it well.

You'll find that we offer an unmatched depth of service, as well as extensive education and training programs.

And an individual commitment to each of our patients. Because we believe we can help patients feel better, only if we can help them live better, first.

To find out more about our services, just give us a call. **optioncare**
