## How Certain Can You Be That A \$195 Home Alarm System Will Work When It Has To?

**UNLIKE \$195 ALARMS, OUR SYSTEMS ARE DESIGNED TO WORK UNDER CONDITIONS WHERE OTHERS CAN FAIL.**

People who try to save a few bucks by trusting a cheap alarm risk losing their shirts and everything else. Because a \$195 alarm system can't provide the protection and reliability of a Triple A Security System. Only we provide standard Sure Test™ automatic testing, and offer Secure Trac™ to maintain monitoring even if your phone lines are cut. Plus the added assurance

of the *only* locally based, fully certified monitoring facility. With complete system ownership backed up by our full one-year warranty. Owing a quality Triple A Security System can cost you as little as \$449. Trusting a cheap alarm system, however, can cost you a lot more. For more information, call 1-800-222-6565.

Secure Trac™ backup monitoring is an optional service.
