

Lukasavage leads Drew field hockey to 5-0 start

Sparked by the play of junior defender Megan Lukasavage, a Lake-Lehman graduate, the Drew University field hockey team has started the season with a 5-0 record, and captured the championship in the 11th annual Drew Fall Festival.

Included in the 5-0 record was a streak of three consecutive shutouts to start the season, which tied the school record for the most consecutive blankings at the beginning of a season (1985, and 1992).

One of two players to start every game last year and this year, Lukasavage was named to the All-Tournament Team of the Drew Fall Festival and the tournament Defensive MVP after she helped shutout both of Drew's opponents

and limit them to just six shots combined.

Behind the steady play of Lukasavage the Rangers have posted four shutouts in their first five games and have a team goals against average of 0.20. Drew has outscored its first five opponents by a total of 21-1.

The 5-0 start for the Rangers extends their undefeated streak in the month of September to 21 games as they are 20-0-1 in their last 21 games in the first month of the season. The team has not lost in the month of September since a 3-1 loss to Muhlenberg on September 18, 1950.

Lukasavage is majoring in English at Drew and is the daughter of Daniel and Mary Alice Lukasavage of Dallas.
