SCHOOL

Dallas to offer NEDT tests

Dallas Senior High School students in grade 9 are encouraged to register for the National Education Development Test (NEDT) that will be administered on Wednesday, October 13, 1993.

It is advisable for students who will be taking the Scholastic Aptitude Test (SAT) and going on to college to take the NEDT at this time. Students interested in taking these tests should register in the guidance office. The registration fee is \$4.85 and must be paid by Friday, October 8, 1993. No late registration or registration without fee can be accepted.

The tests will take approximately three hours to complete, and they will measure the following intellectual skills: English Usage, Mathematics Usage, So-

cial Studies Reading and Natural Science Reading.

Approximately two months after the test is administered, each student will receive a Student Handbook. This booklet will report his/her scores and will help in the interpretation of those scores.

The information derived from the NEDT, when combined with other relevant information, can be used to provide the student with a measure of his/her educational development thus far and to assist him/her in forming realistic educational and vocational plans.

If you have any questions, feel free to contact either Mrs. Russin or Mr. Shevock, guidance counselors at the high school.

Dallas sets SAT test classes

The Dallas Senior High School is continuing its program of providing college-bound students with the opportunity of brushing up on their verbal and math skills in readiness for the Scholastic Aptitude Test (SAT).

In order to accommodate all students, the coaching courses are being offered at the following times: Math sessions - Monday evenings 6 to 8 p.m., instructor

Mrs. Gilroy. Verbal sessions - Saturday mornings from 9 to 11 a.m., instructor Mrs. Whalen.

College-bound students who plan to take SAT's on November 6, 1993, should register in the guidance office for these sessions which are now in progress. These sessions will be free of charge to any Dallas High senior.

Anyone desiring information about the courses should contact Mrs. Patricia Russin at 674-7215.

Trucskville Nursery School has openings

There are currently a few openings in the three-day three-year-old class of the Trucskville Nursery School. The program is an afternoon class that meets from 1:00 to 3:30 on Mondays, Wednesdays and Fridays. Children in the class should be toilet-trained. If you are interested in learning more about the openings, please call Director Linda Mazur at the Nursery School, which is located on Church Road in the Trucskville United Methodist Educational Building, at 696-3938.

Dallas juniors to take ASVAB tests

On October 14, 1993, with approval of the Dallas School Board, juniors will be given the Armed Services Vocational Aptitude Battery (ASVAB). This battery is being given students as part of the students' career counseling program. The results of the test will be used to give the students information on their aptitude for certain job areas. The ASVAB test is a service given to school districts free of cost by the Armed Services.

Many high schools across the country have endorsed using this battery as part of their career counseling program. This test is designed to give students as much information as possible to aid in their career choices.
