Montessori school lists new teachers

Wyoming Valley Montessori School, Kingston, recently welcomed several new members to the faculty: Christine Laquintano, head teacher of the new lower elementary class; Cathy Zikor, toddler assistant and afterschool program director; Mindy Petersen, kindergarten assistant: Debbie Shenefield, toddler assistant, and Chris Buzinkai, assistant for P.E. and after-school program.

Mrs. Laquintano is most recently from the Philadelphia area. A graduate of Eastern College, she taught and substituted in both primary and elementary classes. Ms. Zikor is a graduate of

Bloomsburg University with an education degree combining early childhood and elementary education. She is a Brownie leader with a troop in Shavertown.

Mrs. Petersen is a graduate of the Iowa State University with her teaching credentials from the University of California, Irvine. She taught for four years in bilingual public schools in California. Ms. Shenefield is a graduate of

Wilkes College with a degree in Psychology and a certification in elementary education. She resides in Harveys Lake with her husband, Chris.

Christopher Buzinkai, a graduate of King's College and East Stroudsburg University is teaching several Physical Education classes and is assisting in the After-School Program.

In addition to his work at WVMS, he teaches math, grades 8-12 at GAR.

The Wyoming Valley Montessori School provides a carefully planned, stimulating environment which helps children develop habits, attitudes, skills, and ideas which are essential for a lifetime of creative thinking and learning. Classes are available from toddler (18-36 months) through the sixth

Felty named to King's Dean's List

Dr. Donald Farmer, vice president of academic affairs at King's College, recently announced that 16 of the college's students have qualified for the summer 1993 semester dean's list, signifying a grade point average of 3.4 or higher.

Among those students who received the recognition was Colleen Felty, Shavertown.

Dallas High School 1993 yearbooks now available

William R. Wagner, Dallas Senior High School Yearbook advisor, is pleased to announce that the 1993 Dallas Yearbooks have been delivered to the school and are available to those students who placed orders earlier this year. Alumni may pick up their yearbook from 9 a.m.-3 p.m. daily in the main office of the senior high school. Receipts are helpful, but not necessary.

Additionally, a limited number of extra copies is available to alumni on a first-come, first-serve basis. Payment is due in full upon receipt of the book. These few copies go quickly and alumni are encouraged to visit the school as soon as possible.

The 1994 Dallas Yearbook fundraising campaign is underway. Staff members are offering advertising space to area businesses and organizations. These monies are used to offset the selling price of the yearbook to students. All monies remain within the school and directly benefits the students.

The students of the Dallas Senior High School wish to thank those patrons and advertisers who have supported and maintained the quality of the past award-winning books and look forward to their continued participation.

Wilkes plans Open House for students October 30

The Wilkes University Office of Admissions will hold its annual Fall Open House on Saturday, Oct. 30 beginning at 9 a.m., with registration at the Arnaud C. Marts Sports and Conference Center.

The open house is a program devoted to any student interested in attending Wilkes. Visitors will be exposed to all aspects of the University's campus including dormitories, classroom buildings, academic programs and student

The program includes a general meeting with the University officers at 10 a.m., a Financial Aid Workshop from 11-11:30 a.m., and tours of the Wilkes campus from 11 a.m.-1 p.m. The open house will conclude with an Academic Information Fair at the Arnaud C. Marts Center from 1-3 p.m. Faculty and students from each of the programs offered at Wilkes University, including the new Doctor of Pharmacy program, will be available to answer ques-
