Upon completion of the dinner, Dr Peter Kaminski, immediate past president, was presented with a plaque in recognition of his service to the association over the past year by the newly elected president Michael Shisko. At that time the new slate of officers for 1993-1994 was announced.

The association then became dormant from 1973 until 1981 at which time a reorganization meeting was held and the club was reactivated. Present membership totals approximately two hundred families.
