Girl Scout cookies on sale until March 13

The annual Penn's Woods Girl Scout Council's Cookie Sale will take place through March 13, 1994.

The girls will sell the traditional shortbread "Trefolds"; a oatmeal peanut butter creme sandwich "Do-Si-Dos"; "Thin Mints"; a chocolate covered peanut butter patty "Tagalongs"; those fabulous caramel, coconut and cocoa "Samoas"; "Chalet Cremes", lemon and vanilla sandwich cookies.

This year's new cookie is "Juliettes", a crunchy caramel and pecan treat, covered with a fudgy chocolate coating.

All varieties of cookies will sell for \$2.50 per box.

Troops use the proceeds from the annual candy and cookie sales to enable them to do something that costs more money than their dues will allow, like a bus trip or camping.

Girl Scouting is not subsidized by any government funds. It is a non-profit organization that receives less than 20% of its sup-

port from United Way organizations and is otherwise self-supporting through the product sales including the popular traditional annual cookie sale.

Cookies may be ordered from any Girl Scout or directly from the Council Office at 829-6950 or 829-6951.

Cookies may be ordered by the case and donated to a favorite charity or soup kitchen. A call to the Council office, or a note with a check for \$31.00 will assure delivery.

Our continuous arm chair clearly shows the construction of our Windsor chairs and benches.

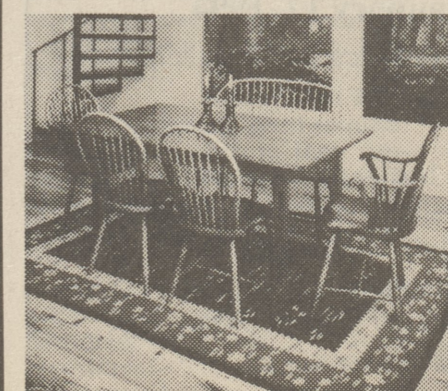

All legs, arm post, and spindle holes are drilled completely through the seat and arms. Glue is placed in the hole, the legs, posts, and spindles are then secured in the holes. These parts are then split with a chisel and a wooden wedge, with glue driven down into the split to widen the parts in their holes creating a super tight fit.

This 18th century assembly method prevents the chair from becoming loose over years of use.

Something you never see, but it is important to know.
