## Lady Knights blast Valley West

Lake-Lehman shut out Wyoming Valley West 6-0 Monday, as Shelly Kovach, Judy Sichler and Tara Dymond each scored two goals.

## Mounts blank league leading Bishop Hoban

By LYNN OLDHAM  
Sports Correspondent

Dallas earned its first shutout of the season and improved its record to 3-5 as they trounced Bishop Hoban by a score of 4-0 in Saturday's soccer match-up.

Midfielder Ed Thomas put the ball into the lower right corner of the net for the first Dallas goal, and the Mount lead was never threatened by Hoban. The Argents had ample shots on goal, but none seemed to make it into the net due to the effective goalkeeping of Fred Maier. Among one of the important saves made by Maier was a shot on goal early in the second quarter by Hoban's Julio Hernandez, who later left the game due to an injured right arm.

The Mountaineers' second goal came in the second quarter when Sean Callahan headed the ball into the net off a corner kick. Callahan was excited about the team's win and attributed it to teamwork. "This was a game that we played like a team. This is the first time all season that we got hustle out of everybody. We were playing against a great team. We knew that we had to come out here and play hard to win."

The Mountaineers' team effort was evidenced by many huddles during time-outs, as the players cheered each other on and rejuvenated themselves.

In the second half, Maier made

an error that could have been the turning point for Hoban when he was called on a double handle in front of the net. But Hoban could not capitalize on the direct kick as the entire Dallas team worked together to keep the ball out of the net.

Maier played the rest of the game superbly as he kept the Argents' scoreless by stopping every Hoban shot on goal.

Dallas scored its third and fourth goals in the fourth quarter. Joe Ankenbrand was responsible for the Mountaineers' third goal. He agreed with Callahan about the team working together during the whole game. "It took a team effort to win."

Ken Marsola kicked the Mounts' fourth goal into the upper left corner of the net past the Hoban goalkeeper. Two Dallas breakaways late in the fourth quarter, almost led to Dallas goals five and six, but the Hoban defense managed to stop these attacks.

Defender Mike Vozniak was confident about the team's performance in the game. "I feel great about the game," he said. "It's about time we won. We started getting down a little, but now we've picked up. We knew we could do it."

Coach Paul Callahan was pleased about the shut-out against Hoban, and said of the win, "We needed one really bad."

## Mounts still unbeaten, Knights take first loss

The Dallas Mountaineers kept up their winning ways by trouncing Bishop Hoban 31-0 last week, as Lehman took its first loss, to GAR by a 34-20 score.

As has been their pattern all season, the Dallas defense shut down Hoban, allowing the Argents to gain only 91 total yards, 72 on the ground and 10 through the air. The Mounts racked up over 350 yards, two-thirds of it on a punishing ground attack.

Tailback Buddy Rhodes opened the scoring with a 12-yard rushing TD. He added another touchdown later in the first half, and the scoring ended Dallas 12-Hoban 0, after both extra point kicks failed.

Dallas scored on its first drive of the second half, on a 39-yard touchdown pass from quarterback Ted Jackson to Mike Viglone, who ran over the Argent defense after pulling in a short out pass.

Rhodes scored his third touchdown of the game when Jackson hit him with a 34-yard completion on a fourth and eight situation. Jackson rounded out the scoring with a 28-yard rush, followed by the only good extra point kick of the day.

The Mountaineers will host 2-2 Meyers Saturday, starting at 1 p.m.

## Knights top Dallas on links

By LYNN OLDHAM  
Sports Correspondent

The Lake-Lehman golf team scored a big victory over Back Mountain rival Dallas last Thursday, in the first meeting of the two teams in seven years.

Jeff Farley's 39 led the Knights to a 175-186 win on the challenging Huntsville Golf Club course. Farley was followed by Ray Bartosh at 44, and Dave Cardwell and Mark Andrusis with 46 each. Also playing were Harold Roberts and Tom C. Brown.

Lynn Kilduff's 42 was low for the Mountaineers, followed by Scott Lewis at 45, Tom Klimek at 49 and Brian Blase at 50. Also playing for Dallas were Justin Jumper and Tony Giardina.

Farley, the medalist, was pleased with his performance. "The best part of my game was putting," he said. "I made a ton of putts. I was just happy we came out and beat this team after we came off a horrible loss to Hazleton yesterday. It was a great win for us."

Bartosh holed a putt out of the rough on the final hole. "My partner said it was an easy putt," he said when asked why he chose that club.

Lehman coach Mike Sharok was pleased with his team's per-

formance. "It was an excellent match," he said. "It was the weather conditions that contributed. It was cold, and the scores were pretty good."

Mount lead player Kilduff wasn't pleased with his game. "I really don't know why we played badly," he said. "Maybe everyone wasn't mentally prepared."

Giardina agreed the Mounts didn't perform up to par, even though course conditions were good. "We had a lot of roll out there today on the fairways, more than on Tuesday (against Coughlin). I'd practice my tee shot," he said when asked what he would do to pick up his game.

Dallas coach Tom Kilduff gave credit to Lehman's determination for their win in this key match. "I'd have to compliment Lehman. This is the best that they have had on the course this year," he said. "Both of us are vying for a playoff spot, so today's match was critical for both teams. We both had to win this match and Lehman rose to the occasion."

Kilduff said his team still had a shot at the playoffs, but will need to win every match to get there. "We have four matches to go and we have to win all of them in order to make the playoffs unless other teams fall apart, which is unlikely."
