Dallas Borough will use new leaf collector this year

By JACK HILSHER Post Correspondent

A sure sign that fall is just about here was seen in an announcement at the September 20 meeting of the Dallas Borough Council. Milton Lutsey, borough manager, said the borough would collect leaves from lawns on Tuesdays, and if that single day is not sufficient, pickups will also be done on Wednesdays.

The borough's new leaf collector, secured from a DER grant, will be used for the first time. Leaves should be swept to the edge of lawns, not more than four feet from the pavement.

Lutsey also informed council that a final design will soon be completed for the Rt. 415/Center Hill Road project (near Picketts Charge) according to Robert Horutz, Liaison Engineer for this district. Larson Design Group of

Williamsport will propose pavement widening, new signals and drainage facilities. Horutz expects to let the project in mid-winter, 1994, with construction beginning in the spring of 1995.

Martha Weber, recreation committee chairman, acknowledge a \$100 contribution to the borough rec fund from the Arnaud Family on behalf of children Chris, Kevin, Kyle, Jackie and Ellen.

Permits were issued to Theodore Dienkowski for a rear deck at 40 Village Green Drive, value \$1000; Thomas Foy, 169 Lake Street to replace a garage, value \$12,000; Raymond Litz, 76 Elizabeth Street to erect a storage shed, value \$2000; and Kenneth Harris, 18 Davenport Street for an addition to home, value \$9000.

The next meeting will be Tuesday, October 18 at the new time of 8:30 p.m.
