

**NEW BUSINESS** — Jason Bowen and Mrs. Neela Patel, owner-operator of Mailboxes, Etc., in the Dallas Shopping Center, take care of customer Bob Perks.

## Mailboxes Etc. opens in Dallas Shopping Ctr.

Sending and receiving packages, mail and messages in the Back Mountain has now become easier, with the opening of Mailboxes, Etc., in the Dallas Shopping Center.

Owned and operated by Shavertown resident Neela S. Patel, Mailboxes, Etc., features package shipping services via United Parcel (UPS), the U. S. Postal Service and DHL International delivery.

"We will wrap and box items for shipment, if it's needed," Mrs. Patel said. "Our job is to save you legwork and see that your packages get to their destinations in one piece."

Private mailboxes with 24-hour access, mail forwarding, incoming and outgoing FAX service, telegrams, voice mail and electronic income tax filing services specially designed for businesspersons working from their homes are also available.

Other conveniences for busy customers include photocopying, money orders, instant passport photos, postage stamps and making duplicate keys.

Mrs. Patel has lived in the Back Mountain since 1982 and is well-known in the area for her work with the Wilkes-Barre General Hospital Auxiliary and the Luzerne

County Medical Society Auxiliary, of which she was past president and also served on the state level.

She has also volunteered for the American Cancer Society and Dial-A-Driver.

Mrs. Patel serves on the board of directors of ARC and the Wyoming Seminary Lower School.

She and her husband, Dr. Satish Patel, MD, and their three children live in Shavertown.
