Visits area one-room school

Dr. Albert Crispell and several friends recently visited the one-room Outlet School where Dr. Crispell began his teaching career of 40 years in September, 1937. He taught there for four years from 1937-1941 when he was inducted into the Army. He served 49 months in the Army and the school was consolidated during that time.

The school has been made into a school museum and restored

similar to what it was in 1937-1941. School visits may be arranged by calling 1-215-949-3312.

The Outlet School was in operation from about 1880 to around 1942. It is where Dr. Crispell's mother and her brothers and sisters (the Columbus Hoover Family) as well as other residents of the Outlet-Lake Township Area, attended school.

A CANDIDATE'S PRAYER
My heart rejoices today for all the good things that have come my way. Thanks to my family and friends and all others who care to remember me through their prayers. How thankful I am to live in America, a place where I can be free. In this land I can be the best I can, and have the opportunity to cast my lot with any man.
In America I can choose the path I walk, and I am free to serve God. For here in the U.S.A. where everyone is free, regardless of race or creed. I am forever thankful for the blessings I receive, and for having you stand by me. How humble I am, Lord.
Thank you, The Candidate.
