## Non-credit photo course at LCCC

Luzerne County Community College Office of Community Services has scheduled a credit-free seminar on basic photography, beginning June 5 and continuing through June 26.

This course is designed to teach students the basics of photography to take better pictures and become more familiar with their 35mm cameras. The course will focus on a variety of topics, including shutter speeds and film types, portrait, scenic, close-up and action photography, and the basics of photo composition.

No darkroom work is involved. Students are responsible for purchasing and developing their own film.

Students are requested to review their camera manuals and bring them to the first class. Classes will be held at the college's main campus in Nanticoke from 6 to 9 p.m.

For more information, or to register, call the college at 829-7477 or 829-7496.
