had it restored finally in 1980. Then I had that appraisal done...for the only truck Chrysler ever built!"

"Oddly enough, Chrysler did something which has to rank as another first...they printed an instruction book just for this one-of-a-kind Model 77, an 84-page bound cover book which in itself is a classic.

It gives a list of tools furnished with the truck which includes the following:

- 1 hub cap wrench
- 1 lubricant gun
- 1 oil can
- 1 tire pump
- 1 auto jack
- 1 starting crank assembly
- 1 water pump nut wrench
- 4 wrenches (Nos. 1, 2, 3 & 4)
- 1 pliers
- 1 screwdriver - small
- 1 screwdriver - large
- 1 hammer

First Back Mountain Girl Scout track and field event

The first Back Mountain Girl Scout track and field event was held June 9 on the field at the Dallas Middle School.

One hundred-twenty scouts registered to participate and over 85 attended, said event coordinator Marjorie Adams. She started the event in part because she recalled enjoying similar activities

during her childhood in New Jersey.

Eleven troops participated in events which included a rope pull, broad jump, softball toss, 50, 100 and 440-yard races and a relay race.

McDonald's and Mr. Z's donated food and beverages, and other troop leaders joined in organizing the day's activities.
