

# CARRIER'S MAKING A DIFFERENCE, INSIDE AND OUT...

38TN

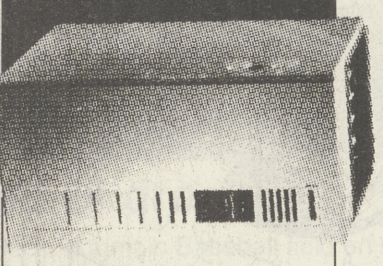

## ...With the New Green Machine

Making choices about your comfort also means making choices about our environment. That's why Carrier's Weathermaker 38TN central air conditioner is the clear choice. As Carrier's most fully-featured single speed unit, the 38TN is quiet, highly efficient, and most important, ozone friendly.

It's the only air conditioner on the market with a conscience, because it uses a special refrigerant that doesn't harm the ozone layer. For dependable, efficient, long lasting comfort, get Carrier's 38TN. The Green Machine. You'll be making a difference inside and out.

# WHILE YOU'RE AT IT...

...replace your old inefficient furnace with a Carrier high efficiency furnace and get the same 10 Year Warranty for only \$49,000!

## TUNE-UP/CHECK-UP SPECIAL!

### Raffle

Jennie Valick has organized the raffle and its fabulous prizes with the help of the GFWC Harvey's Lake Women's Club, who donated the tickets and have helped sell them. The first prize is a vacation in Freeport in the Bahamas, valued at \$1,100, donated by the Dallas office of AAA Travel. Other prizes are complete auto detailings (thorough cleaning of a car's interior), valued at \$160 each and donated by Camelot Car Care, a Ross Mount Rushmore 12-speed mountain bike valued at \$259 and donated by the Dallas Bike Works and a Cellular One bag phone valued at \$299, donated by Cellular One. Tickets are \$1 each and are available at the library, AAA, the Dallas Bike Works and from Harvey's Lake GFWC members. "Many children have seen the bike at the library and want to win it," Valick said. Last year the raffle raised \$2,000 for the library.
