

For a good cause

Fourth graders Meredith Lacey, Jennifer Konopki, Megan Barney, Sylene Marmo, Ashley Redmond, Kaitlyn Musto and Angela Duris, above, carried a banner identifying their class as "Jones's Jaibirds" at the Dallas Elementary School's walk-a-thon September 29. Fun, fitness programs at Anderson Center

Several new children's programs highlight the fall schedule of family fun and fitness at College Misericordia's Anderson Sports/Health Center.

A teddy bear's tea and crafts and cookies for the holidays are part of the new Fun Days Saturday programs for children.

Fitness and Fun includes activities for both children and adults and range from children's swimming and karate lessons to WATERrobs and a new tai chi chuan program for adults.

Enrollment is limited. To receive a brochure, or for more information on these and other programs, call Misericordia's Office of Continuing Education at 674-3862. Gift certificates are available.

Fundays for kids begin on October 14 with the "Teddy Bear Tea Party" for children ages 5-8. Other Saturday programs include "Holiday Crafts Around the World" on November 11, for making unique decorations, and "Sugar and Spice and Cookies Are Nice" on December 9, an afternoon of holiday baking. Both sessions are open to children 6-12 years old.

Kids' swimming and karate lessons are also available. Adult programs include a variety of activities: cross-training,

karate, self-defense, racquetball or tai chi chuan, which involves slow-moving exercise, which benefits range of motion, circulation, digestion and stress reduction.

Aerobics classes are ongoing and taking place in the floating floor aerobics studio, with groups meeting for morning or late afternoon sessions. Child care is available at the 10 a.m. session. Unsupervised walking on the indoor track, adult swimming and gentle WATERrobs exercises are also available for adults.

Suggestions for additional programs are welcome. Please call 674-3862.
