

Graduate College Fair Nov. 15 at Misericordia

College seniors and graduates interested in masters level programs are invited to attend the College Misericordia Graduate College Fair November 16, 5:30-8:30 p.m. in Kennedy Lounge, Merrick Hall. It is free and open to public.

Representatives of colleges and universities in Pennsylvania, New York and New Jersey and free information on courses, application procedures and costs for graduate school will be available.

This is the first fair of its kind to be held in the Wyoming Valley area. More than 30 colleges and universities have been invited to participate in the fair, which is organized by the Misericordia Career Services and Graduate Admissions offices.

For more information about the Graduate College Fair or Misericordia's graduate programs, call the Office of Admissions at 674-6462 or 1-800-852-7674.

Jennifer Maslow Morgan named outstanding alumna

Dallas native Jennifer Maslow Morgan was honored with Wyoming Seminary's Outstanding Young Alumna Award at the school's recent homecoming ceremonies.

Morgan, a 1978 graduate, was honored for her exemplary accomplishments and her loyal work on behalf of the school.

A 1982 graduate of St. Lawrence University, where she received a bachelor's degree in Spanish and sociology, Morgan pursued graduate work at Goddard College and the Bank Street College of Education.

From 1982 to 1988, she taught at North Country School in Lake Placid, NY and at the Pre-School of the State University of New York at Albany. She served as the program coordinator for the child care program at Skidmore College.

In 1989 she was named to the Wyoming Seminary faculty; from 1990-1993, she served as Sem's associate director of admissions.

Morgan has served as a class agent and as a chairperson of the

Middle School plans special activities for parents, students

The Dallas Middle School will observe American Education Week November 12-18.

Parents are invited to visit their child's classes on the following days: November 13, sixth grade; and seventh and eighth grades on November 15. Parents are asked to report to the office to register

before going to the classes.

On Tuesday, November 14, an evening program will begin at 7:30 p.m. in the auditorium. Mark J. Innocenzi will present an information program on HIV/AIDS. Innocenzi is an HIV/AIDS specialist with the American Red Cross, Wyoming Valley Chapter.

College plans Cloisters trip

The College Misericordia Alumni Association will host its annual trip to The Cloisters in New York City, December 9.

The Cloisters, at Fort Tryon Park, was erected between 1935 and 1938 and is part of the Metropolitan Museum of Art. It incorporates architectural elements brought from five medieval buildings in Europe, and offers exhibits of illuminated manuscripts, stained glass, jewelry, statues and tapestries, including the famous unicorn series.

After the museum tour the group will visit Rockefeller Center and do some holiday shopping in Manhattan.

The trip package also includes a lecture by Dr. Congleton, to be held at the college on December 6, from 7-9 p.m. The cost of the trip is \$40 per person, which covers, the lecture, bus trip, ticket into The Cloisters and the guide fee.

Reservations may be made through the Office of Alumni Relations at 674-6248. Seating for the trip is limited.

SKI TIP #2 by Sean O'Shea

Q. My kids are still growing. Should I buy or rent skis?

A: If your kids only ski five or six times a year you should probably rent. For kids who ski more frequently owning is better because they will have better equipment and as they grow their equipment can be traded in, but usually kids keep their skis for two years. Some kids get two years from their boots, but be careful not to get boots too big, they need good ankle support. For families on a budget we have a used equipment section.

Our new SAT class begins soon...

People wonder why we start our programs for the SAT so early. The reason is simple...it works. We begin in November for the Spring. Significant point gains on the SAT take time. Most other programs hustle students in and out of a eight or nine week program and send them on their way. We like to keep your kids...they do better.

We offer a structured, process approach to the SAT. Our students average 200 plus point gains, and are the best prepared for the test.

We were the first to offer junior year programs...the first to offer free refreshers for subsequent SAT exams. Now we are the first to begin getting students ready for the Spring.

The cost? Our fees are nearly 50% less than the competition, and they have no refreshers. And our fee remain the same no matter when you begin. A student preparing now for the Spring simply gets more preparation. It's the best deal in the valley, from the best test preparation program in the area.
