Lake-Noxen students raise funds, earn a trip in limo

Eight Lake-Noxen Elementary School students were the toast of the town last Friday when they rode a white stretch limousine to McDonald's for lunch. The students' names were drawn at random from the entire student body, which sold candy and other items in the school's annual fund raising drive.

The top seller was Samantha Long (K-1), who won a \$100 Toys R Us gift certificate. The top-selling homeroom was Mrs. Casey's

third-grade class, which will be treated to their choice of an ice cream or pizza party.

Ralph Flowers of Haney Fundraising said Lake-Lehman schools have been raising funds since 1971 through his organization. The money is used to support school activities and special assemblies. Mrs. Bonnie Turchin, who accompanied the winning students on the limo ride, said the drive usually raises \$10,000 to \$12,000.
