

## Lehman-Jackson students participate in RIF program

The students of Lehman-Jackson Elementary School recently participated in this year's first Reading Is Fundamental program. The RIF program is made possible by the Lehman-Jackson PTA and a grant from UGI Corporation.

This year's RIF program got off to a start with the theme "Reading is Magic". A magician presented magic tricks that involved books and reading.

The summer readers, 201 Lehman-Jackson students who

read a total of 4,983 books during the summer earned prizes based on the number of books read. The top reader in each grade received an additional gift certificate, with which they could purchase a book of their own.

The top readers were Billy Holena, Danielle Mitkus, Kathryn Semcheski, Craig Thomas, Philip Weaver and Olivia Barrall.

Future RIF distributions will occur in February and May.

### Science Club holds fundraisers for projects

Students in the Dallas Middle School Science Club recently elected officers for the 1995-96 school year: Kendall Santarelli, president; Sarah Martin, vice president; Jeff Kosakowski, secretary and Jessica Stefan, treasurer.

In November the students made a field trip to the Everhardt Museum in Scranton. The December project was the adoption of a wolf.

To fund these activities the students raised over \$1500 selling T-shirts, shown off by Sara Martin, Kendall Santarelli, and Jeff Kosakowski; back row: Edward Novakowski, Ms. Jennifer Starly, science club advisors. Absent from photo, Jessica Stefan.
