PA GAME COMMISSION NOTES

LUZERNE COUNTY - Recently, while on late night patrol with Student Officer Rob Minnich, Rob exclaimed "Look - a spotlighter." I agreed, as the light appeared to be heading in our direction. Upon further investigation, we discovered the vehicle casting the light was a very large freight train. We both laughed, as I assured Rob that we were not going to try and stop it.

LUZERNE COUNTY - This spring, many hunters will meet new officers who are recent graduates of the Ross Leffler School of Conservation. Many of the newly commissioned WCO's will be assigned to areas of the state that are very different (i.e., geographically, demographically) from their hometowns. I'm sure they would appreciate any well wishes from sportsmen during this time of transition.
