County fairgrounds closes storage area for season

Drivers passing the Luzerne County Fairgrounds over the next few weekends may encounter an exodus of campers, boats and cars heading home for the summer season.

Owners of recreational vehicles stored at the fairgrounds are asked to make arrangements to remove boats, RV's and cars before the end of April. Grounds committee people will be available on Saturdays from 9 a.m. until 3 p.m. to assist owners.

The Dallas Area Fall Fair Association has offered winter storage for recreational vehicles over the past five years. "We have secured buildings in which we house these vehicles for the winter, beginning the latter part of October," said Dick Williams, president of the association. All spaces are rented by the amount of footage required for proper storage and must be reserved in advance.

"We are looking at modifying some of the buildings this year, which would increase the area now available and enable us to accommodate more people," continued Williams. More information can be obtained by calling Williams at 675-3247.

The fairgrounds is used year round by different organizations for special events.

Beginning in May, various horseshows are slated for the weekends. The grounds are also available for sports and little league organizations, tradeshows, scouting groups, auctions, dog shows, flea markets, family reunions, special events sponsored by civic organizations.

The horseshow ring is available to the general public to ride their horses free of charge when no events are scheduled. Activities or events can be scheduled by calling 675-3247.
