Back To School The Dallas Post August 21, 1996

If you think your kids are growing fast, look at the cost of college. Scary isn't it? Almost as scary as not being able to afford it. If you start soon enough, we can help you reach those numbers, with a variety of financial options. We can put together a program that also helps meet your budget and your kids' (or grandkids') timetable. Call us. It's the smart thing to do. Alexander H. Sickert, CLU, ChFC, FIC, Shavertown, PA (717) 696-4204
