Ray earns her Gold Award

Karri-ane Ray recently received the Gold Award, Girl Scouting's highest achievement, during a candlelight flag ceremony held at the Mehoopany Township Building.

Karri-ane is the daughter of Kevin and Sharon Ray, Forkston and the granddaughter of Albert and Kaye Ray, Sweet Valley.

She attends Tunkhannock Area High School, where she is a member of the concert and marching bands. Ray also maintains an honor roll status. She is also a junior volunteer firefighter for the FWM Fire company and a member of the Forkston United Methodist Church and the Reach for Youth Group.

Karri-ane is a member of Mehoopany Cadette/Senior Troop 466. She has been a Girl Scout for nine years, attended resident camp at Camp Archbald for eight years and has attended numerous troop camping activities. She has held the positions of president and vice president for the troop.

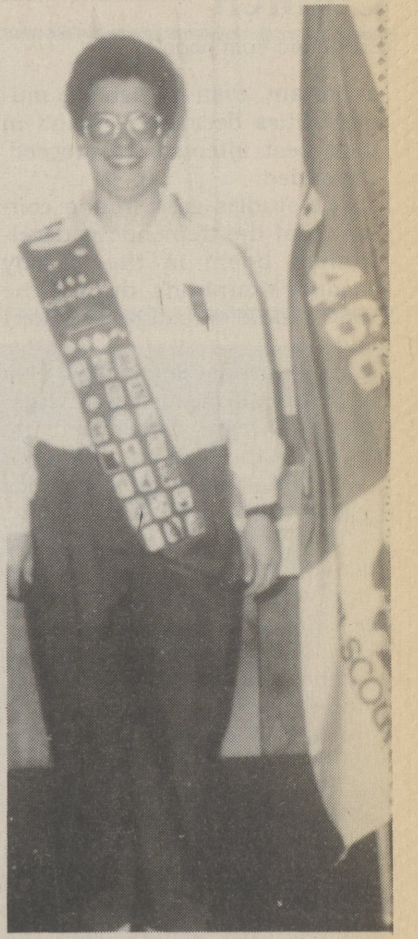

To earn the Gold Award Ray

had to complete five requirements. She had to earn four patches (each patch takes about 15 hours to complete), the Senior Leadership Pin (requires 30 hours of leadership activities), the Career Exploration Pin (she worked a part-time job) and the Senior Challenge Pin (this has five requirements also).

The last-requirement is a 50-hour project to benefit the community or other Girl Scouts. She worked with others in her troop to produce a training videotape to help younger scouts sell Girl Scout Cookies in a safe and polite manner. Ray was responsible for casting, locations and organizing the viewing schedule.

The video was shown to nine troops in the Tunkhannock Neighborhood as well as to the Gold Award Committee.

The project was so well received that Council asked permission to make copies of the video and distribute it to other neighborhoods in the Scranton Pocono council as a training resource for 1997 cookie sales.
