

Rides to VA Hospital for vets available

Area veterans need not worry about transportation to and from the Wilkes-Barre Department of Veteran Affairs (VA) Medical Center for treatment.

That VA medical facility recently received three vans from the Disabled American Veterans (DAV), a million-member-plus nonprofit organization.

The vans will be driven by a corps of local volunteers organized by DAV and its Auxiliary. Heading up the effort is Michael S. Galagottis, hospital service coordinator at the Wilkes-Barre VA Medical Center.

Area veterans needing transportation assistance to the Wilkes-Barre Medical Center should call 824-3521, ext. 7925.
