

# Lake-Lehman schedules pre-school for 4-year-olds

Charles James and Robert Kunkle, Elementary Principals for the Lake-Lehman School District, announce the Pre-School Program for parents and pre-school (4-year-old) children for the 1996-97 school year. The second installment of Lake-Lehman's Early Childhood/Pre-school Program is scheduled from December 10, 11, and 12, and will feature "Math Readiness: Activities and Strategies for Parents and Children."

Lake-Lehman School District teaching staff will present the Math Readiness program. The presentation will include basic math readiness skills to prepare 4-year-olds for a successful school career. The parents will prepare one activity to use with their child at home.

Separate activities including storytime, games, crafts, and snacks are scheduled for the children at each elementary school.

The schedule for this pre-school program is as follows: Dec. 10, Ross, 10 a.m.-11:30 a.m.; Lake-Noxen, Dec. 11, 9 a.m.-10:30 a.m.; Lehman-Jackson, Dec. 12, 9 a.m.-10:30 a.m. Topic: Math Readiness: Activities and Strategies for Parents and Children.

Please register for this second presentation by calling the neighboring elementary school office and letting us know how many adults and children will be attending. Telephone numbers are: Ross Elementary School, 477-5050 or 256-7897; Lake-Noxen Elementary School, 639-1129; Lehman-Jackson Elementary School 675-2165.

The program is intended for four-year-olds only. It is kindly requested that you not bring younger brothers and sisters unless there is no alternative.

## Fire Prevention at Lehman-Jackson

The Lake-Lehman Jackson Elementary PTA recently sponsored Fire Prevention Week. The Lehman Township Volunteer Fire Dept. visited the school to discuss fire safety with 156 kindergarten and 1st graders. Students were treated to a peek at a real fire truck and participated in a discussion on fire fighting equipment. Fire fighters reviewed fire safety rules for the children and demonstrated the use of fire fighting turnout gear worn by the fire fighters.

## Dukas wins scholarship

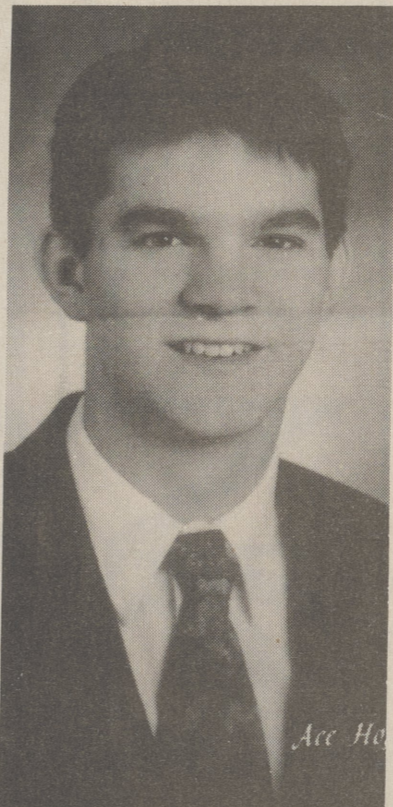

Jared Dukas, Dallas, was recently awarded the Moreau Scholarship from King's College, in Wilkes-Barre.

Dukas is a freshman at King's and a recent graduate of Dallas Senior High School.

The Moreau Scholarship is awarded to those students who rank in the top 10 percent of their high school graduating class. It is based on strong SAT and ACT performance, outstanding scholastic achievements, exemplary leadership and personal qualities.

King's College was founded in 1946 by the Congregation of Holy Cross from Notre Dame University as an independent, four-year college, located in Wilkes-Barre, in northeastern Pennsylvania. A co-ed college, King's was named to Barron's Best Buys in Education and ranked eighth as one of the best colleges in the north by U.S. News and World Report.

The Core Curriculum Assessment program has been recognized by national academic institutions as a model curriculum. Its four year graduate rate is 20 percent above the national average.
