DALLAS HIGH GUIDANCE NOTES

School, Princeton Review to offer SAT preview

For the first time, the Dallas High School Guidance Department in conjunction with the Princeton Review will be offering a practice S.A.T. on Sat., Jan. 18, at 10 a.m. at the Dallas High School. The test will be an actual S.A.T., however, the score a student receives will not go on his or her permanent record. This is a great way for students to see areas that need improvement and also to identify the strengths of each student without the worry or stress that usually accompanies S.A.T. The test is open to all high school students regardless of grade and also students from Lake-Lehman, Wyoming Seminary and Bishop O'Reilly. The cost is \$6.00 and checks should be made out to the Dallas High School.

Students must pre-register for this test and the deadline is January 13. Students from schools other than Dallas should see their counselor for details or call 675-5201, Ext. 218. Another unique component of the practice S.A.T. is a presentation of the Princeton Review of the test results, test taking tips, college admission trends, and a lot more! We hope that area students will take advantage of this great service.

The P.T.S.A. is pleased to announce the results of our Coat Drive to benefit the needy of the area. One hundred and ninety two coats were donated by our students and their parents and our faculty. Many children's coats were donated to brighten the holi-

days for our young people. The P.T.S.A. would like to thank everyone who participated in this worthy event. You have made the needy a little "warmer" (literally and figuratively) this holiday season.

- Students who took the P.S.A.T. or N.E.D.T. should see their counselor to go over the results. The Flex period is usually the best time.

- Because of the large volume of college applications that come to Dallas daily, the processing time is usually a week. You can help us by being sure to sign applications and have checks attached.

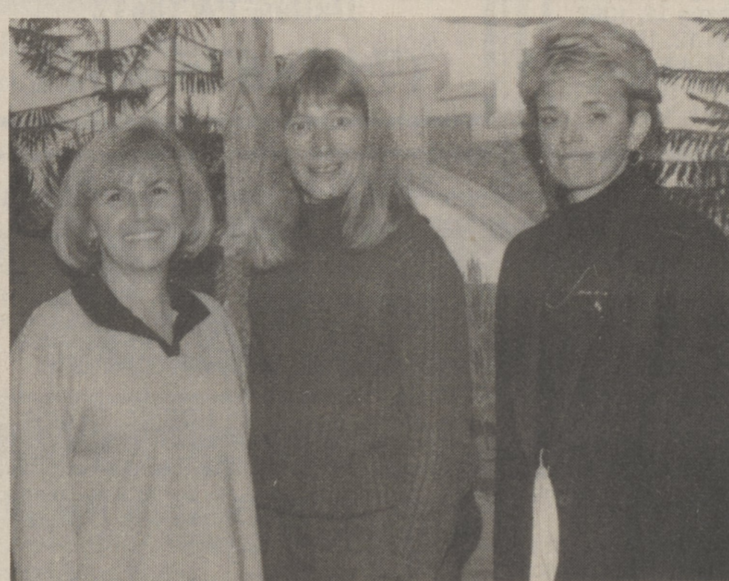

- Parents and students: If you have not received a F.A.F.S.A. form in the mail, please see your counselor. You will need this form to apply for financial aid. Parents, please remember to attend our Financial Aid Night on January 8 at 7 p.m. This will be a big help when applying for financial aid.

Answer to last week's trivia question: Who am I?

Syracuse University is the alma mater of Ted Koppel, Bob Costas, and Dick Clark.

This week's trivia question: Who am I? I opened in 1858 as the Missionary Institute of the Evangelical Lutheran Church. I merged with the Susquehanna Female College in 1873 becoming a pioneer in co-education. Who am I?
