The letters and poems that follow were written by students in the fifth grade at Dallas Elementary School. Some were written for themselves, others for younger children. Mrs. Nulton made them available to the Post.

Dear Santa  
Hi Santa! It's just me I was wondering if I am going to get good presents or a lump of coal this year for Christmas. I tried to be a good boy this year. Try to give me good presents.  
Thank you
