

Santa letters

(continued from page 7)

Dear Santa,
For Christmas I would like nice presents. First I would like a small boombox. I would like some clothes that I can wear for school. I would also like some CS's and tapes to go with my boombox. I want a pen that you can talk into and it reports what you say. I would love to have a new mountain bike that I can ride in the summer, spring, and fall. I would like to have a bracelet that says my name on it. For most of all, I would like to have a small dog called a Springer Spaniel. That's all. Hope to write next year.
Your Friend,
Caitlin Dukas

Dear Santa,
You know I always want lots of things but this year I don't want too many things. I would like some Philadelphia Eagles clothes, an Eagles helmet, and a Detner or Watters jersey. I would also like Talkboy, Mutator and Nerf Eagles. I would like two games called Battleship and Guess Wh. If you can't give me all of this stuff, that's ok. Merry Christmas
Sincerely
Michael Hiscox

Dear Santa,
For Christmas I would like you to bring me a dall with brown hair with eyes that blink and a skooter to ride. Mabe if you could bring a candy cane or two, and a telephone for my room. If you don't mind how about you bring a game or two? Bring a puzzle for me to do.
Sincerely
Jan Green

Dear Santa,
Here is a letter for my friend. And as you know it probably won't end. I think she'd like a game or two. And she said she'll leave out cookies for you. She wants a bracelet for her wrist. And that's the end of her Christmas list.

Dear Santa,
Hello! How are you? I'm fine. By the way Merry Christmas. I was wondering if you could take me on your sleigh for a little ride around the world. If you can't me, I'll understand. But that is truly what I want this year. Well I must go now so I can go to school. Bye
P.S. Tell the reindeer and Mrs Claus I said hi.

Dear Santa,
How are you? I am fine. I really want to visit you. I want to see your elves working hard, because that special night is not far. I want to see your reindeer in their flight. I want to ride with you on that special night. If you could grant my wish. I won't be bold. I would just want to be told.
Your friend,
Rosalyn Wentko
