**WE'D LIKE YOU TO HAVE ALL THE FACTS BEFORE SOMEONE ASKS YOU TO MAKE A VERY IMPORTANT DECISION**

Perhaps you've had a phone call. Lately, salespersons (employed by organizations other than funeral homes) have been actively offering funeral merchandise "prearrangement" opportunities- that is, plans where you may purchase caskets, vaults and other things now, in anticipation of eventual need.

**IF A SALEPERSON CALLS**

We want you to make an informed decision on prearrangements, whether you wish to purchase funeral merchandise alone or an entire funeral package. It's up to you to ask the right questions.

- Ask whether you are being offered a complete funeral service.
- Ask whether you are speaking with a licensed Funeral Director.
- Ask if you can compare the offer and call back at a later time. If you feel as though you're being pressured - unfortunately, you probably are.

**CONSULT A LICENSED FUNERAL DIRECTOR**

Contact us, for more information on funeral merchandise and complete funeral prearrangements. We can sit down in your home or ours and discuss these options, explain the costs of a complete funeral and help you compare.

Most of all, we want you to feel you're making all the right decisions. Because our service to this community is more than a business. It's a tradition of comfort and trust.

Remember, only a *licensed funeral director* can sell funeral services.

Anyone can sell you funeral merchandise.

*The experience to serve you better, the compassion to understand your needs.*
