## See Comet Hale-Bopp at Penn State Univ.

To get a good look at Comet Hale-Bopp the Friedman Observatory on the Penn State Wilkes-Barre Campus in Lehman will hold a week of special viewing nights. The observatory will open at 7 p.m. on March 28 and 29, and March 31 through April 4. In addition to the Hale-Bopp show in the skies, a video or movie related to astronomy or space flight will be shown several times each night at the Fortinsky Auditorium in the Bell Atlantic Center for Technology. For more information, call the campus at 675-9278
