

Schedule for last day of school at Dallas and GOH

The last day of school will be June 9. Graduation ceremonies will be June 6.

Seniors will report to school on June 9 to receive their diplomas and complete their graduation responsibilities.

Early dismissal times have been scheduled for students on Fri. June 6 and Mon., June 9.

An Early dismissal schedule follows: The dismissal times for the last two days of school will be: Gate of Heaven School, 11:15 a.m.

Dallas Senior High School, 12 p.m.

Dallas Middle School, 11:50 a.m.

Dallas Elementary, 1 p.m.

Westmoreland Elementary, 1 p.m.

The morning kindergarten session will be dismissed at 10:45 a.m. The afternoon kindergarten session will begin at 11:30 a.m.

Lunch will be served to Elementary students only.

Report cards will be issued to elementary students prior to dismissal on Monday, June 9.

Report cards for secondary students will be mailed to parents during the week of June 16.

Free concert slated for May 18 at Wyoming Seminary

Seventy five area students ages 5 to adult will perform in a concert on May 18, 2 p.m. at the Buckingham Performing Arts Center, Wyoming Seminary, Kingston.

The concert is free and open to the public.

The first half of the program will include younger students from the Pre-Twinkle violin class performing "Old Macdonald Had A Farm" and a duet in harmony with the Violin A group class. Older students will perform classical pieces such as "Playful Rondo" by Green, Pachelbel's "Canon" for cello quartet, Vivaldi's

"Double Violin Concerto" and "Boogie" by Jones featuring "The Fifties Fiddlers".

The second half of the program will feature the Intermediate Orchestra conducted by Peter Brubaker and the Advanced Orchestra conducted by Lillian Supplee. Pieces include Vivaldi's "Autumn" from the "Four Seasons" with violinist Tyson Myers of Kingston, the Bach "Air" in memory of David Einfeldt who was an inspiration to the school, "Capriccio Espagnole" by Rimsky-Korsakoff and "Tangarine Rag" by Meyer.

Celebrating Arbor Day

Children of Small Wonders Nursery School, Back Mt. 4 year old classes, celebrated Arbor Day recently with a tree planting near the school playground. Pictured are children from the 4 year old classes: from left, Kyle Stritch, Daniel Ayers, Delanie Brady, Ranya Grzybowski.

Morgan will attend Drexel in fall

Dallas resident Joy Morgan, daughter of Robert and Margaret Morgan of Robbins Road, Dallas, will attend Drexel University this fall. Morgan plans to major in architectural engineering.

Morgan will be a 1997 graduate of Dallas Senior High School.

Michael Scott awarded scholarship

Michael Scott of Dallas, a sophomore at Franklin & Marshall College, was recently awarded the Huffnagle Scholarship Fund Award. This award is presented to a student in biology to attend a biology field station or course work and/or independent research.

Scott is a 1995 graduate of the Wyoming Seminary. He is the son of Dr. Durelle Scott, Dallas and Bernadette Howard, Kingston.

Science Expo to be held May 20

Plan to attend the first annual Dallas Elementary School Science Expo to be held May 20, 7:15 - 9 p.m. The projects submitted to the science expo from students in kindergarten through fifth grade will be on display in the gymnasium of the elementary school. These students have investigated different and exciting topics related to the sciences and have assembled displays on what they have learned. There will be exhibits on dinosaurs, constellations, the solar system, plants and light, fossils, electricity, rainbows, the human body, geology and lots more. Come and examine their independent hard work and we're sure you'll learn something new, too.

Outstanding students at Dallas Middle

Recently an assembly was held at the Dallas Middle School to honor the outstanding academic students for the third marking period. Anthony Martinelli, Dallas Middle School principal, announced that 24 students achieved Honors with Distinction. To be eligible a student must have a 3.8 to 4.0 average with no F or D grades. Pictured from left, row 1: Carolyn Thimot, Christy Williams, Michael Choe, Christian Cobleigh, Samantha Lloyd, and Chen Yang. Row 2: Erica Swatko, Laura Vodzak, Kristen Vodzak, Maria Bednash, Elizabeth Eby, Molly Savage and Clair Gammage. Row 3: Kevin Covert, Carrie Strasser, Michael Miller, Francis Yanik, Amie Tkaczyk, Stephen Anton, Jill Matley, Amy Pizzano, Gabrielle Huh, and Ryan Morgan. Melonie Sappe, eighth grade is not pictured.

Dallas School District reminder to register students

The Dallas School District is requesting the cooperation of parents with children of school age who have not registered for the 1997-98 school year.

It is essential that the district is informed, as soon as possible, of all new students planning to register. Especially the kindergarten and first grade students.

Parents must bring birth certificates, report cards from the previous school, social security cards and immunization records. No student will be allowed to enter school without proof of the newly required immunizations. If there are any questions, call the school district at 675-5201.

Annual Day Camp at St. Paul's

St. Paul's Lutheran Church in Shavertown is planning its Third Annual Day Camp July 7-11 from 9 a.m.-3 p.m. Children who are entering grades Kindergarten through 6th are invited to join in the fun. The cost for the week long camp is \$45 per camper and this includes snacks throughout the day, drinks to accompany lunches and a picnic lunch on Friday.

A typical day at Day Camp, operated by Bear Creek Camp staff and volunteers begins with singing of camp songs and a thought for the day. Campers are placed in age appropriate groups and move through daily sessions. The first session may be games, where non competitive activities are played using equipment such as parachutes, beach balls and blindfolds. Campers discover the fun of everybody winning and

nobody losing. In Arts and Crafts, campers create their own projects using a variety of supplies and materials. The third session is Nature, where campers have the opportunity to experience and learn about the environment in their own locale. The sessions are scheduled between snacks and a lunch break. The afternoon concludes with reflection upon the day's events.

On Friday, the campers will enjoy a field trip to a local farm. The events for the day include hiking, swimming in a pool, yard games and a picnic. This is a fun day for the campers as well as the staff.

Day Camp is a chance to experience the fun and excitement of camp without leaving home. If you are interested in the camp, please call the church office, 675-3859. Everyone is welcome.

Art and Science Fair at Lehman-Jackson May 22

The Lake Lehman-Jackson Elementary School in conjunction with the Parent Teacher Association will be sponsoring its annual Art and Science Fair on Thurs., May 22 in the Lehman Jackson Elementary multi-purpose room, 6-8 p.m.

Art Fair: Grades K-6th will be assisting with the transformation that will change the halls and walls of Lehman to a scene from the American southwest. All work displayed will depict the life and landscape of the Southwest. Included will be printmaking, drawings of Indian blankets, coiled baskets, painted pictures on artificial 'skins', beaded jewelry, weaving, dream catchers, pottery and copper relief.

Coordinated by elementary art teacher Susan Roese, this out-

standing program owes its success to an energetic group of PTA volunteers, headed by Victoria Grzybowski.

Science Fair: Grades 4-6th will be putting their imaginations to the test with projects ranging from Dancing Spaghetti to a Mechanical Robot. Environmentally minded students will be trying their hand at things like a natural water filtration system, PH testing of water, and even a recipe for homemade bug spray.

Can an egg handle the acceleration of a rocket? Is it possible to house-train a pig? Will cryogenics work on worms?

The answers to all these questions can be found as students and parents alike observe and participate in what promises to be an enlightening night at Lehman-Jackson.
