

# Prize winning photographs

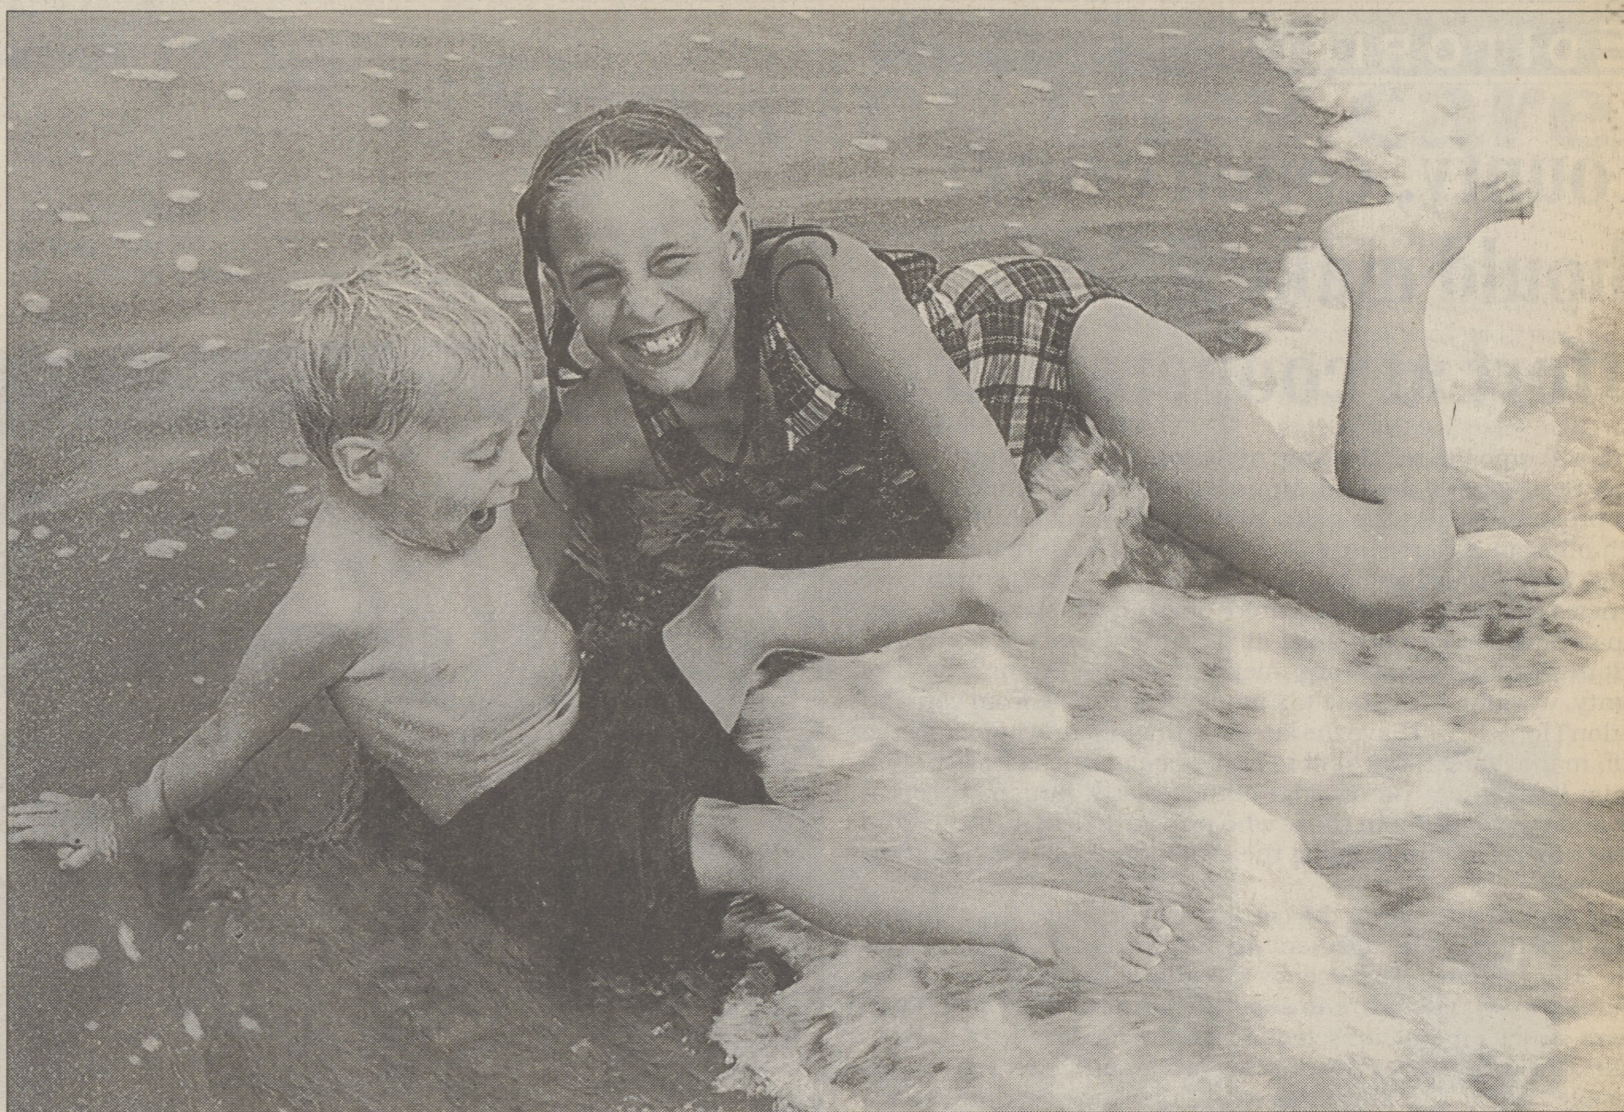

It was tough, but judges in the Summer Vacation Photo Contest sponsored by The Dallas Post and Dallas Photo Shop picked the winners Monday morning.

First prize went to Jill Spencer of Lehman for a shot of her niece, Melissa Novitski, and nephew, Jared Novitski, frolicking in the surf at Ocean City, New Jersey. "I've been taking photos half my life," she said, and makes her own greeting cards using her photos. She uses a Canon AE-1 and Fuji or Kodak film.

Second place winner Cassandra Mounce of Dallas Borough took her entry in June, on her last day of school in Winnipeg, Manitoba Canada. She wrote on the back of the photo, "I was leaving to move to PA the next week and this was the last time I would see these friends. We wanted a picture that would show 'forever.' This was it, and forever it is."

Francis and Katherine Fertal of Sweet Valley won third prize with a photo of their son, Sean, center foreground, and his cousins at a 4th of July family picnic.

Thanks to all the people who submitted entries. Photos can be picked up anytime at whichever location they were brought to.
