DALLAS HIGH GUIDANCE NOTES

Tips to help with college applications

All freshman and sophomores who feel they may be college bound need to sign up for the NEDT test which will be given in mid October at the high school. These tests prepare students for the SAT's and can lead to national certificates of merit. Cost is \$7 and the deadline for registration is Oct. 1. See your counselor to register.

Our seniors have begun the college application process. To help with this sometimes confusing journey we offer several tips:

1. If you haven't done so, schedule a senior conference with your counselor.
2. Check out our state of the art computer system - College View. Virtually every school in the country is featured and you can receive admission information, academic requirements, costs, etc. You do need to make an appointment as College View is in demand.

3. Be sure you receive a copy of our College Admissions Road Map and Talbots Student Planner. Both of these publications are full of useful information and also will give you website details for many colleges.
4. Finally, if you need help, ASK. We are here to make this process as painless as possible.

Juniors remember: The PSAT deadline to register is Oct. 1. Cost is \$8.50 and checks should be made out to Dallas High School. If you want to do well on your SAT's, take the PSAT!

The SAT form must be post-marked by this Fri., Sept. 26 for all students planning on taking the test here at Dallas on Nov. 1. Two ways to help increase your scores:

1. Sign up for our free SAT Coaching Courses.
2. Pick up your free copy of the most commonly used words on the SAT entitled Hit Parade. The Hit Parade uses a computer to analyze all releasd SAT's. The words on the list are those most frequently used.

One final comment on the SAT's. Congratulations are in order for our students and staff. Our SAT scores on average increased over 20 points in verbal and math last year. One of our seniors, Tony Luizza had a perfect score of 800 in the math portion of the SAT. Way to go Tony!

Congratulations to seniors Chad Newell, Erik Steltz, and David Williams for receiving a letter of commendation for outstanding performance on the Preliminary SAT/National Merit Scholarship Qualifying Test.

PSU summer camp thanks sponsor

Three Back Mountain youngsters were among the over 600 campers from grades 1-12 who participated in Penn State Wilkes-Barre's Summer Youth Program. With science and technology as the camps' focus, campers enjoyed activities such as building and launching rockets, publishing a newspaper, surfing the Internet, building burglar alarms, exploring nature and star-gazing at the Friedman Observatory. Several area businesses and corporations helped to underwrite the cost of the program. Shown are from left, Leslie Rosenbaum; Dr. Mary Hines, CEO, Penn State Wilkes-Barre, presenting a plaque to Ken Getz of Offset Paperback, corporate sponsor; John Lipka and Jillian Seeley.
