

A little culture

The Cultural Diversity Committee is one of many committees in the Dallas Elementary School PTO. Committed to raising the level of awareness about societies and cultures from other parts of the world, the committee arranges for special productions for the students and acts as an informal body to alert faculty and parents about multi-cultural resources and events.

"The local area colleges and universities seem to be doing a fine job at including diversity topics in education," said Kathy Gelso, chairperson of the committee. "We need to begin this process at the elementary school level."

The committee sponsored a production titled "Folk Tales From Around the World" Oct. 10. Watching with interest, from left, Magan Schwemmer, Kalyn Jurus, Maia Painter, Amanda Walton, Paul Van Loon.
