

Painting the town

Dallas High School art students took time out to brighten windows around the Back Mountain last week. The holiday window painting is an annual project that stretches up and down Rt. 309 and 415, from the Meadows Nursing Center in Dallas to Grange National Bank in Trucksville.

Are you a 'weather person?'

The Dallas Post would like to publish a weekly report on the previous week's local weather; high and low daily temperatures and precipitation. But we lack the time or facilities to do it ourselves. Perhaps you do. If you are an amateur meteorologist, please contact us about how we can work together to give readers an accurate peek at the weather the way it really was. Please call Ron Bartizek at 675-5211 or stop by the office at 607 Main Rd., Dallas, just off Rt. 309 across from Offset Paperback.
